Case Management Society of St. Louis Professional Educational Collaborative

Mission: To provide a means in which the case manager can collaborate and learn from all professionals within the case management profession by providing education, information and networking opportunities towards professional development

Goal

CMSS collaborates with professional health organizations to expand educational opportunities for members and support the chapter mission.

Potential benefits to the organization:

- Increased and varied membership
- Increased opportunities for membership in education and professional networking
- Expanded opportunities for chapter sponsors
- CMSS access to varied professional organization members, educational opportunities and potential sponsors.

Agreement

CMSS serves as a resource to secure continuing education credits for case managers. CMSS actively pursues opportunities within other professional educational organizations/events for CCM credit.

CMSS collaborative educational liaison facilitates planning, coordination and event programming.

CMSS collaborative educational liaison actively pursues educational opportunities within the healthcare community.

CMSS allows collaborating organizations "member privileges" to events and requests reciprocation of collaborating organization for CMSS member attendance.

CMSS agrees to publish (email, website, mailing, etc) collaborating organization events that are to be shared between memberships.

CMSS chapter/events sponsors have access to collaborating organization membership at educational events
