**Job title:** RN TEAM LEADER, UTILIZATION MANAGEMENT – SSM ST. LOUIS

RN TEAM LEADER, UTILIZATION MANAGEMENT – SSM ST. LOUIS

LOCATION: Based at SSM St. Joseph Health Center in St. Charles, MO

ENJOY A CULTURE DEDICATED TO TEAMWORK & QUALITY:

- 2010 winner “Best Places to Work” by Modern Healthcare and the St. Louis Business Journal
- First health-care recipient of the Malcolm Baldrige National Quality Award
- 2010 Missouri Quality Award by the Excellence in Missouri Foundation

WANTED:

- Experienced Nurse Leader with a strong Utilization Management background.
- Expert in all areas of the healthcare environment including third party reimbursement systems, healthcare delivery utilization management, healthcare finance, and regulatory requirements.
- Specific expertise and experience in retrospective review denials and appeals.
- Problem solver skilled in driving long lasting quality improvement through attention to detail, clear communication and follow through.
- Leads by example, shared decision making and collaboration among departments and disciplines.
- Proven success as a coach and mentor known for the ability to empower employees and keep employee satisfaction high.

MINIMUM QUALIFICATIONS:

- Licensed Registered Nurse (RN) in the state of Missouri, or license eligible
- 3 – 5 years of experience as an RN in hospital based Utilization Management
- 1 – 3 years of leadership / supervisory experience

MAIN ROLE RESPONSIBILITIES:

The RN Team Lead of Utilization Management develops and implements the organization’s utilization management plan in accordance with our mission and strategic goals, federal and state law, regulations and accreditation standards. He or she is responsible for the oversight, direction, development and leadership of a team of Utilization Review Representatives (9 full time and 4 per diem Nurses) that are responsible for obtaining timely certification for all scheduled and unscheduled services to assure appropriate reimbursement for our North Operating Group.
